

CAN'T FIND A DRY BALL

by Garret Mathews

Can't Find A Dry Ball is the story of a season in professional baseball's lowest minor league. All the action takes place in and around a messy dugout. Players on the Evansville Otters get \$12 a day in meal money and are more attuned to discount coupons than the homeless. There's the anxiety about being released, the death watch on the shortstop with the bad arm, and the bussie who gets drunk and tries to sell his conveyance on eBay. There's honking loogies for distance in the bullpen, and the locker room that Lewis and Clark would turn down as being beneath them. There's trying to make sense of a manager who is so cold a player could die at the plate and the Skip would simply "X" out his name on the lineup card. In the course of the play, players find their confidence, recover from injuries, get released, and get signed, but when all is done, they all live and cope with everything you might expect from a ball team - the good AND the bad. Can't Find a Dry Ball is a comical look into the lives of a ball team. 6 men and 1 woman in the cast.
