

Freedom, Texas

In this comedy, the year is 1953. 18-year-old Los Angeles college student Steve Weisbart drops out of college after he's offered an unlikely job as a disk jockey/announcer at a small town 1000 watt radio station in the Texas Panhandle. This station specializes in broadcasting to passing semis on their way to deliver cattle in Oklahoma, and the town has its share of greed, lust, evangelists, bigotry—and some goodness, too. Steve discovers that not all is as it appears in Freedom, Texas, a name that's a clue to the town's past and future.
