SCENE

by William Allen

By a case of mistaken identity, Stanley and Laura Schafer end up in the VIP suite of the Desert Palm Hotel. The *real* VIP, Moira Schafer, and her husband also arrive...and the sparks fly. When a feeble excuse for détente is reached they reluctantly share the suite just long enough for Moira to greet her fans and leave. Mr. Godfrey, an officious hotel manager, announces the night's festivities, but springs on Moira that, instead of pressing what she expects in cement, he would like her to press what she is most famous for— her chest. Because of secret she has kept for years, Moira must find a proxy... and Laura is it— or so she hopes. Chaos, drunkenness and cross-dressing are all factors in this farce with an ending twist that still makes sure everyone lives happily ever after.

The Cast... 3M/2W

The Setting... A lavish VIP suite in the Desert Palm Hotel in Palm Springs, California. The suite is so large that there are bedrooms off both sides of the stage.
