

A Rather Puzzling Murder

by Jim Gordon

Uncle Horace has died. Unloved in life, eccentric Horace (his coffin was built in the shape of a baseball) has decided to get even with his ungrateful nieces and nephews, by leaving each of them one part of a four-part puzzle that, if deciphered, will lead to a treasure. Robert, a "worthless and irresponsible scoundrel," attempts to steal the clues from his unsuspecting relatives, but his plan is discovered, and he's forced to join forces with his hated relatives. A dead body and a brain dead policeman enter the picture, but are unable to halt the search for the elusive treasure.
