

The Fortification of Miss Grace Wren

By Robin Rice Lichtig

The Fortification of Miss Grace Wren—An elementary school teacher can't cope with the present. She wants to escape into the past. Thanks to an historical figure who stands astride the 17th and 21st Centuries, she finds the strength and desire to continue her life.

"It (the play) is a thoughtful reminder that history past often understands the demons of the present"

"An informal blend of kindness, eloquence and wit... the very representative of irretrievable innocence in a world upside down."

- Jean Bartlett, Arts Correspondent, [Pacific Tribune](#)

"It is one of the most touching pieces relating to 9/11 that I have seen, told with simplicity and earnestness of a grade school history lesson."
