

Requiem

by **Sandra McNiff**

Linda is in a panic. She has left her term paper about the Mozart Requiem until the last minute. As she looks to the Internet, the Ghost of Mozart appears, promising her an 'A' for the course if she writes the story that he has been trying to tell for centuries. Mozart claims that his sister Nannerl, not his student Suessmayr, completed the Requiem, contrary to all research. After telling his story to Linda, thus accomplishing his mission, a satisfied Mozart takes his leave. He is now certain that the world will learn the truth. But, will his story ever reach the music lovers of the world? It is in Linda's hands.
