by Kellie Powell

*Reserved* is a brief and ribald college comedy about Nicole, a shy student who, after participating in a psychology experiment for extra credit, suddenly becomes the polar opposite of her former self. In fact, Nicole puts her exhibitionist roommate, Maggie, to shame. Nicole even finds the courage to approach Joel, the guy she's had a crush on since freshman year. But Maggie is worried. What's with Nicole's sudden and extreme transformation? And more importantly, what will happen if she changes back to her former self?
