Join Gabrielle and Libby on the set of *Revenge of the Zombie Bridesmaids* as they prepare to play extras. Before production assistant Boyd/Bonnie exits to get the actress playing the bride, he/she gives Gabrielle the news that she will be the zombie who gets to take down the bride. Thrilled about this career opportunity, Gabrielle throws herself into a series of exercises which are interrupted by the hapless, Libby— who knows nothing about acting or being on a movie set. Terrified that Libby's inexperience will lead to their scene being cut, Gabrielle becomes an instant acting coach working at warp speed to define Libby as a prime actress. It's one laugh after another, culminating in a freak accident that brings the girls to a new understanding.
